SUMMARY

Full Stack Web Developer with a passion for technology and continued learning. As a former personal training manager, I'm proficient in working with others and am looking forward to collaborating with other developers to create high quality applications that solve problems and deliver an exceptional user experience.

TECHNICAL SKILLS

Languages/Technologies: HTML, CSS, JQuery, Javascript, Bootstrap, SQL, MySQL, MongoDB,
Express, ReactJS, Node

PROJECTS

Hype Machine | https://github.com/JohnLanni619/hype-machine | https://boiling-beach-80721.herokuapp.com/

- Social media app where users create a countdown for future events. Other users can comment on the post.
- This gives users a platform to generate excitement for upcoming events. I worked on building react components, styling, database management, and graphql queries.
- Languages used: MERN stack, graphQL, CSS, JWT

**Anime Storefront |
https://github.com/JohnLanni619/anime-storefront |
https://arcane-waters-50733.herokuapp.com/**

- E-commerce site for selling anime related products.
- Worked on creating the models, setting up the server, and building the handlebars templates.
- Languages used: Handlebars.js, CSS, MySQL, Sequelize, Node.js, Express.js

ReadMe Generator |

https://github.com/JohnLanni619/README-Generator

- Command Line App for generating professional README files for projects.
- When the user starts the app, they're prompted with questions relating to their project and a README file is generated based on their responses.
- Languages/Packages used: JavaScript, Inquirer

CentraState Fitness and Wellness Center   Personal Trainer
December 2016 - May 2017, April 2021 - current   Freehold NJ

- Communicate with potential clients, build rapport, and sell personal training packages.
- Program clients workouts, take them through workouts, and cultivate relationships to achieve results.

CentraState Fitness and Wellness Center   Personal Training Manager
June 2017 - March 2021   Freehold NJ

- Managed a team of 30+ personal trainers, working towards monthly new business, sales, and revenue targets.
- Interviewed, hired, and developed trainers.
